

2018 Annual Conference
September 13-16, 2018
New York, NY

The Council for Opportunity in Education (COE) is celebrating its 37th Annual Conference at the Marriott Marquis in New York, NY. We would like to encourage you to express your valued support of this year's conference by purchasing an ad for the commemorative **conference program**.

The conference program is the most widely used document at the conference—the primary resource to plan and navigate activities and involvement while attending the conference. It is also a powerful opportunity to heighten the visibility of your institution, association, project, or business and to help you make important networking connections. The conference program is used year round by attendees to document their involvement as a presenter, moderator, sponsor, or exhibitor; implement new ideas into their TRIO projects or regional/state associations; and reach out to potential vendors for new program resources and services. We hope that you will take advantage of this valuable opportunity to advertise.

Last year, many associations, projects, institutions, and businesses advertised in the conference program. Was your ad one of them? Your ad will historically record your support for COE and its 37th Annual Conference. Seize this opportunity to expand your marketing efforts while investing in our national association dedicated to furthering college opportunities for low-income, first-generation students and individuals with disabilities throughout the United States, Caribbean, and the Pacific Islands!

We hope that we can count on your support. Thank you in advance for your involvement.

Warm Regards,

Ron Abel and Tammy Napiontek
