

Indicators of Higher Education Equity in the United States

2016 Historical Trend Report-

Search for Solutions-Shared Dialogues

1. What do you personally think are the top 3 changes needed to improve equity in higher education in the U.S.? (please write below)

1a _____

1b _____

1c _____

2. Why have we (as a nation) made so little progress in closing the gaps in higher education attainment? What are the biggest hurdles to creating change?
3. How do we best communicate information about equity in higher education? How can we encourage more attention among the higher education research and policy community to questions of poverty, equity, and mobility?
4. What should the next generation of equity research and evaluation look like? Lessons learned from past attempts?
5. What are the possibilities for practitioners, government, and academics to partner in achieving needed changes?
