

Building & Retaining Impactful Teams

This session will explore the importance of and opportunities to build and retain high-performing teams. We will work through collaborative discussions, small and large group ideation and sharing, and playbook planning so leaders may activate teams that yield quality services and meaningful student, scholar, and program outcomes. We welcome new and experienced leaders to work through self-assessment, solutions-focused planning and action, and an openness to continued growth and improvement.

Wednesday, November 19, 2025

Boston, MA – Hyatt Recency Boston, One Avenue de Lafayette, Boston, MA
