

March 2026

# TRIO TRIBUNE

## ISU's National TRIO Day 2026 – Thank You for Celebrating With Us!

National TRIO Day was a meaningful and energizing celebration of student success, access to education, and the power of opportunity. We are so grateful to everyone who attended, shared their story, volunteered, or supported our programs.

### What We Celebrated

National TRIO Day honors the impact of federally funded TRIO programs that help students overcome barriers to higher education. At Idaho State University, our TRIO programs continue to empower first-generation, income-eligible, veteran, and adult learners to achieve their academic and career goals.

### Why It Matters

TRIO programs don't just help students enroll in college — they help students persist, graduate, and envision futures they once thought were out of reach. National TRIO Day is a reminder that educational opportunity changes lives.

Thank you for being part of a community that believes in access, support, and student success.

**TRIO Works.  
Opportunity Matters.  
Lives Change.**

## Event Highlights

Students, staff, and community members engaged in a variety of activities throughout the celebration, including

- Sharing their experiences at a “TRIO Changed My Story” note station
- Visiting resource tables that connected students to campus and community support services
- Accessing FAFSA assistance and college planning information
- Connecting with community partners and campus collaborators
- Creating custom buttons as a fun way to show their TRIO pride

More than 100 attendees joined us in celebrating the impact and legacy of TRIO!
